ISUAA—serving annuitants and survivors since 1971

From the ISUAA president

Early 2022 has been an exciting time in my life, and ISUAA has been a big part of that excitement. After spending 30 years at Illinois State in the Division of Student Affairs, I retired on January 31. On June 14, 2022, I'll trade in my role as ISUAA secretary and assume the presidency of this vital organization. The friends I've made through ISUAA have been invaluable resources as I transition one part of my life to the next chapter. Plus, I'm proud to be part of an organization that works tirelessly for the good of our current and former colleagues along with their families.

Our fall meeting is a great way to learn more about our work and connect with friends over breakfast. More details are included in this newsletter but mark your calendars now for the morning of September 14.

Countless people have told me, "After you retire, you'll wonder how you ever had time to work." That has certainly proven to be correct! Before your calendar fills up, complete and mail the form on the back to reserve your place. You won't want to miss an update from President Terri Goss Kinzy, our featured speaker for the breakfast, so get those reservations in now.

The articles in this newsletter highlight the work we do, both politically and socially. Whether you enjoy golf, seek out lectures for continued learning, or just want to know where to park on campus for an event, we are there to help. Whether you are newly retired, have been retired for a while or have yet to reach that magic retirement date, we have space for you in ISUAA. If you are interested in serving or learning more about the ISUAA board and the work we do, please contact me, or any board member. Keep up with our organization at Annuitants.IllinoisState.edu. Information about our parent organization, SUAA is available at suaa.org.

Lots of changes have taken place this year for me, but one thing remains constant. It's always a great day to be a Redbird!

How time flies

By April Anderson-Zorn

University archivist, Dr. Jo Ann Rayfield Archives at Illinois State University

150 years ago - 1872

John Wesley Powell officially submitted his letter of resignation to the Board. “Gentlemen: I herby tender my resignation of the office of Curator of the Museum. I sincerely thank you for the honor you conferred in committing that trust to me. I am, with great respect, Your ob’t serv’t, J. W. Powell.”

Board member Roots moved for the Board to reconsider accepting Mr. Powell’s resignation request. After discussion, “the question was again put, and the resignation accepted.”

Proceedings of the Board of Education of the State of Illinois, Meeting Minutes, June 26, 1872, pg 3-4.

100 years ago – Aug.-Oct. 1922

- With help from students in the manual training department, Professor A.W. Dragoo set up a radio room on campus. Located in the Manual Arts building, the room “will contain the first radio sending set in this part of the state.” Professor Dragoo anticipated being on the air by the fall and thought it possible to “send out musical programs, plays, announcements, etc., to all parts of the state.” *The Vidette*, August 24, 1922 (Vol. 34, No. 42, pg 1).
- The second annual ISNU homecoming coincided with the 50th anniversary of the founding of the student YWCA. Along with a waffle breakfast (“And, Oh, those waffles!”), alumni gatherings, the big game, and a dance, celebrations included a Sunday service to recognize the YWCA. *The Vidette*, September 11, 1922 (Vol. 35, No. 1, pg 1-2).
- The institution reported its largest enrollment to date at 800 students, “Although more than 800 names have been entered on the rolls, yet due to various causes, some have been compelled to leave school.” *The Vidette*, October 26, 1921 (Vol. 35, No. 4, pg 1).

75 years ago – Aug.-Oct. 1947

- A reporter from *The Vidette* asked students what they think a restored Old Main should be: a student union, a museum, or another type of building? Several voiced support for removing Old Main entirely and constructing a “modern efficient building” for use as a student union or educational facility: “Teaching is supposed to be a progressive profession, so why maintain a symbol of an old fashioned ideal?” Others supported renovation efforts for use as a museum. One student voiced support for keeping Old Main as-is: “It is a symbol of everything ISNU has been and should remain as a beacon light to those who enter ISNU in the future.” *The Vidette*, August 7, 1946 (Vol. 59, No. 34, pg 2).
- ISNU reported 2,018 enrolled students (988 men and 1,030 women) for the fall term compared to the 1,800 enrolled students (855 men and 945 women) last fall term. While military veterans’ enrollment dropped from 635 to 598 between fall terms, graduate student enrollment was up to 62 students

(34 men and 28 women) from 53 students (29 men and 24 women) last fall term. *The Vidette*, September 17, 1947 (Vol. 60, No. 1, pg 1).

- Milner Library reported several new films ordered by faculty request. The films included *Housefly and Malaria Control*, *The City and Problems in Housing*, *Declaration of Independence*, *Your Children’s Eyes*, *Juvenile Delinquency*, and *Soldiers of the Soil*. Faculty are reminded that the library needs at least three weeks to process the order and to plan accordingly for class. *The Vidette*, October 1, 1947 (Vol. 60, No. 3, pg 2).

50 years ago – Aug.-Oct. 1972

- The Academic Senate discussed a proposal to give course credit to students serving on the Academic Senate. The proposal centered work on an internship system where students earned course credit for on-the-job training. Student and faculty senators raised many questions, including additional work requirements (such as a paper) and who would be evaluators of the students. No decision was made, and senators were reminded that the recommendation would have to move to the Curriculum Committee for further analysis. *The Vidette*, August 3, 1972 (Vol. 85, No. 5, pg 2).
- Doug Collins returned to campus on September 14 to a parade and celebrations after his Olympic Games performance. Lorn Q. Brown was master of ceremonies while Mayor Carol Reitan of Normal presented a resolution. Collins was introduced by his coach, Will Robinson, and spoke briefly on the controversial game, Russia’s controversial win, and his team’s decision to not accept the silver medal—not a protest, but, “We all know they made a mistake.” *The Vidette*, September 20, 1972 (Vol. 85, No. 7, pg 11).
- Elton John performed at Horton Field House on October 11 to a capacity crowd. Dressed in a green sequined suit, John “roamed around the stage storming from corner to corner dancing, emoting and moving ever upward” and “screaming flourishes that left Horton howling.” However, the concert was not without difficulties. John’s backup band and some concertgoers caused “extensive damage” to Horton’s home team locker room and other backstage areas. *The Vidette*, October 13, 1972 (Vol. 85, No. 16, pg 5).

25 years ago – Aug.-Oct., 1997

- Patricia Meckstroth was named the new acting director of the general education program. Meckstroth was part of the program’s implementation since its early days in 1994. While Meckstroth would immediately fill the role, the University would still need to plan for a search for a permanent director. *The Daily Vidette*, August 14, 1997 (Vol. 110, No. 8, pg 13).
- Associate professor of communication Tim Coombs prepared to spend three days at Space Camp. Located in Huntsville, Alabama, the NASA-sponsored program recently began offering educational courses for adults. Coombs, an Apollo fan, prepared for the experience by performing a yearlong fitness routine, “Participants have to pass a physical exam and be able to stand up to three times the normal force of gravity before they are accepted into space camp.” *The Daily Vidette*, September 3, 1997 (Vol. 110, No. 20, pg 3).

- The class of 1947 met on campus the weekend of October 3-5 to celebrate fifty years as ISNU alumni. Dubbed the Half Century Club, these alumni chatted with fellow classmates about a changed campus landscape, class size, and student fees. They reminisced about professors, classes, and student living. *The Daily Vidette*, October 7, 1997 (Vol. 110, No. 44, pg 1).

President Terri Goss Kinzy to speak at fall breakfast meeting

The fall ISUAA breakfast meeting will be held Wednesday, September 14, 8:30-10:30 a.m. in Room 118 at the Alumni Center on North Main Street in Normal. Illinois State University’s 20th president Dr. Terri Goss Kinzy will give an update on the status of the university as it begins a new academic year. She will also answer questions from attendees.

Breakfast will be provided by Panera. See the reservation form on the back of this newsletter for specifics. Please return your registration form and payment to ISUAA by September 1. We hope to see you there.

Half Century Club reunion to be held at Homecoming 2022

This fall, Illinois State will host Homecoming 2022: Celebrating Red, October 10-16, 2022. There are many must-do activities, with Saturday the most action-packed day of the week-long celebration. Planning has begun for many Homecoming events for the campus and community to attend.

One well-known program that will be celebrated at this year’s Homecoming will be the Half Century Club reunion and induction ceremony. Graduates from the Class of 1972 will celebrate their 50th class reunion on Friday, October 14 and Saturday, October 15 during the annual Half Century Club event. A variety of activities will take place across campus, including dinner, the Homecoming parade, tailgating, time to reminisce, and a special induction for the Class of 1972.

Members of the classes of 1967, 1962, 1957, 1952, and 1947 who will be celebrating their 55th, 60th, 65th, 70th, and 75th reunions will be honored and will receive a special recognition gift.

The annual program gives alumni an opportunity to catch up with classmates, make new acquaintances, participate in exclusive behind-the-scenes tours, and learn what’s new at Illinois State. The events are not exclusive to graduates of the honored years. Any alumnus or friend of the University is invited to attend any or all of the Half Century Club activities. Those interested in more information or looking to register can visit Alumni.IllinoisState.edu/HalfCentury.

Updated information and announcements will be available at Homecoming.IllinoisState.edu.

Update on emeritus/retiree permits in the Bone Student Center lot

In an effort to foster consistency among visitor parking areas on campus, all patrons of the Bone Student Center visitor parking lot will be asked to pay the nominal hourly fee. Currently all visitor areas charge a fee of \$1 per hour.

Retiree information hotline

Have a question? Need an answer? Don't know whom to contact? Call (309) 438-4311, the phone line answered by Human Resources just for retirees and surviving spouses. Staff will either direct you to the needed resource or take your name and number and have someone follow up with you.

The complimentary emeritus/retiree permit will no longer be valid in the pay lot, but it is valid in all surface faculty/staff and commuter lots (red and green lots). Seven of these lots (consisting of approximately 1,200 parking spaces) are located within one block of the student center. Additionally, after 5 p.m. the emeritus/retiree permits are valid in individual reserved spaces and the garage zones located in the three campus parking garages. These garages are near the Quad, the Bone Student Center, and the State Farm Hall of Business located on the south end of campus. These garages provide convenient parking options for evening activities on campus. Please visit Parking.IllinoisState.edu and click on the maps tab to download a campus map to assist you in identifying the various parking areas.

Bone Student Center pay lot hourly parking rates are \$1 per hour. Exiting after hours will result in a no-charge exit.

Current retiree parking passes expire August 15. If you haven't done so already, you may renew them online at Parking.IllinoisState.edu or by visiting the Office of Parking and Transportation office at 709 N. Main Street, Monday-Friday, 8 a.m. to 5 p.m. to pick up your pass. They may also be reached by phone at (309) 438-8391. The new passes are for one year instead of two, as per previous policy.

TeeBirds wrap-up

The ISU TeeBirds are in the midst of another successful season and welcomed several new members. TeeBirds began playing in May and will complete their season in late September.

TeeBirds are retired or current faculty or staff members, spouses or significant others, and guests. We meet Thursday mornings for nine holes of golf and social events. Some members continue on for 18 holes on our play days.

The group's home course is Illinois State University's Weibring Golf Club, but we mix in other area courses for variety

Helping Hamper

By Jan Cook

The School Street Food Pantry was thrilled to receive our summer dinner meeting donations! Many wonderful food items were brought to the dinner along with more than \$150 in cash support. In addition to the usual food, toiletry, and household item donations, in honor of the “back to school dental exams,” our fall breakfast meeting will focus on gathering donations of toothpaste. The students are very grateful for this as toothpaste is not an acceptable item in many food programs. Thank you for all your support of this program.

You may help the School Street Food Pantry by sending a check made out to ISUAA with “School Street Food Pantry” on the memo line. Mail it to ISUAA, Campus Box 8000, Normal, IL 61790. We will arrange for the donation to be given to them. Thank you to all of our members who have donated, and don’t forget to bring your donation to our fall meeting, September 14.

The ISU University Club

Bob Preston and Kay Wilson

University Club discussion hours: The University Club is the only Illinois State University social organization open to all faculty, staff, administrative professionals, retirees, and ISUAA members. You are cordially invited to join us online or in-person (when that becomes possible) for any or all of our programs. You need not be a University Club member to attend. We meet during the fall and spring semesters during the academic year. The University Club promotes collegiality among our diverse faculty, staff, administrative professionals, and annuitants. We always endeavor to sustain and promote ongoing open and free communication in this community and to support the finest ideals of education and academic life.

Past online speaker presentations via Zoom: During the spring semester we met five times via Zoom and, of course, we did not meet during the summer hiatus. We had excellent presentations from the areas of cybersecurity, art, and anthropology. Please see our website (UClub.IllinoisState.edu/Calendar) for information about these and other past programs.

University Club Scholarship Awards Ceremony held online via Zoom April 29: We continued our long-standing tradition (32 years) of awarding up to 12 \$500 scholarships to Illinois State undergraduate and graduate students who were academically top achievers and who were also involved in giving back to the University and community through service. We were also pleased to name a scholarship in honor of Dr. Hank Campbell who was a cofounder of the University Club Scholarship Program. We had excellent attendance and were pleased to see awardee family members, friends, advocates, and other interested guests in attendance.

Fall semester 2022 programs: This fall semester we hope we can resume in-person meetings in the Faculty/Staff Commons in the Bone Student Center. We traditionally provide complimentary hors d’oeuvres and have a cash bar for wine and other drinks. At the time this information was submitted, it was not entirely certain that the in-person option will be available. It depends on the state of the pandemic and the University policies that ensure health safety at ISU events. Our alternate approach will be to continue with our online Zoom programming, with presentations at three-week intervals. Please consult our website as the fall semester approaches for updated information about our programming (UClub.IllinoisState.edu). If you would like to be added to the University Club listserv and receive automatic notification of future programs, please contact Bob Preston (rlpresto@IllinoisState.edu).

Best Wishes from The University Club.

In official chapter business, the slate of people nominated to serve on the board was unanimously accepted. ISUAA membership welcomes Barb Dallinger as its new president, JoEllen Bahnsen as secretary and, Tal Parmenter and Victoria Harris as board members. These are 2-year terms.

SUAA statewide annual meeting

The State University Annuitants Association (SUAA) held its statewide annual business meeting June 16 in Springfield. The primary work of the day was to approve changes to association bylaws. This was the first fully face-to-face statewide meeting of the association since 2019. The delay in a face-to-face meeting caused the state board to delay discussion and decisions on bylaws until now.

ISUAA member and former chapter president Charles McGuire served as chair of the bylaws committee and led the discussion on the proposed changes. After some lively discussion and a few amendments, all proposals passed. The most significant changes granted final SUAA budget approval to the state board of directors and requires the board of directors to provide summary reports of meetings to membership. These changes follow the organizational and bylaw changes made in 2019 and bring all aspects of the bylaws in line with those changes.

Longtime ISUAA chapter member and SUAA board of directors member Larry Alferink concluded his term as SUAA treasurer and was honored for his service to the state organization.

In addition to Charles McGuire, ISUAA was represented at the meeting by three other voting delegates: Jan Cook, Laura Alferink, and John Walker.
