

# Engaging Students

Gaining and Keeping Connections Remotely

# Make the first **CONVERSATION** count

May not be the first contact

Impressions made here

Get as much information as possible

Lay the foundation of the relationship

Find the right fit

# Understand their motivation

Beyond the credential

What does it mean to them

Will be used to keep them going

Communicate urgency and achievability

# Understand their barriers

Work to pre-plan solutions

BEGIN WITH ANY TECHNICAL SUPPORT

Provide options for continual progress

Plan the GOLD STAR moments

# EARN THEIR TRUST

Give them multiple ways to reach you

Be available as a staff

Provide continued support network

Be their partner in progress
