Graduate Award Application Worksheet

Instructions

This worksheet is provided for you to collect and organize your information in preparation for submission on the official on-line application form for ALL School of Information Technology graduate student awards. Only students who complete and submit the official on-line application will be considered for School awards. To be considered for the Outstanding Graduate Assistant Award, make sure that you have worked with at least one of your references as a graduate assistant. Note that this award is limited to students who have served as graduate assistants in the School of IT.

All of the information requested on this form is required in order to assure your full consideration for all eligible awards.
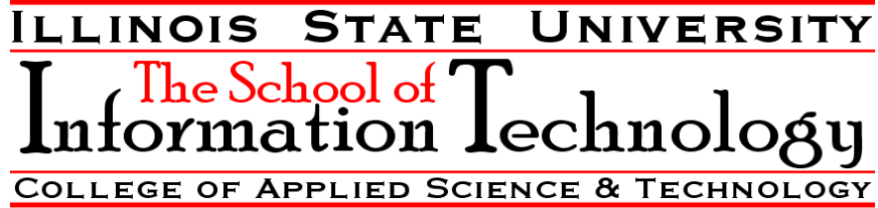

Eligibility:

The School of Information Technology graduate awards are limited. **Only students currently enrolled as graduate students planning to graduate in May, August, or December of the coming year are eligible to apply.**

The following awards will be given:

> Outstanding Graduate Student
> Distinguished Graduate Student
> Outstanding Graduate Assistant

Awards Reception:

All School **Awards** will be presented in April. Award recipients will be notified in advance.

Email address	
Have you received permission to use this person as a reference?	_____Yes _____No Note: If you do not receive prior permission of the person to use him/her as a reference, any reply will not be considered.

Other Information

From an academic perspective, what makes you deserving of an
award in Information Technology?

Please list and describe your extra-curricular activities
both at the university and in the community.

Is there any other leadership, academic, or personal information you would like
the School to consider when reviewing your application?

To be considered for the Outstanding Graduate Assistant Award, please describe your work as a graduate assistant for the School of IT and explain how you believe your work is deserving of that award. If you have not been a GA in the School of IT, please skip this question.

Awards will be presented in April.
